

Following is a list of our colleagues who reviewed the manuscripts received to *Geopersia* during the past 12 months. I appreciate the positive actions that you took to participate in reviewing the manuscripts and implementing our recommendations to get the two issues published. We certainly would not be able to continue without your support and I wish to acknowledge your continued support for the coming issues and look forward to our joint continuing work in the future. Dr. Ebrahim Ghasemi-Nejad (Editor in Chief).
